

Barber's Shop.

PETER JOHNSON,

RESPECTFULLY offers his services to the public. He keeps the best quality of razors, and keeps them sharp. He will always pay strict attention to cleanliness and neatness. He cuts and dresses hair in a style that never fails to please his customers. As a knight of the scissors and razor he yields to none in Hannibal. His charges are reasonably low. As he intends to continue fitting up and improving his establishment, as fast as his means will allow, he hopes to have the patronage of the citizens of Hannibal, whose well known chief characteristic of energy, leads them to desire to see everything on the progressive march. Recollect it is the shop nearest to Hickman's Store. It is on the west side of Main street, two doors north of Bird street. (ap-23-d-ly)

FISTULE IN ANNON CURED,

And all other diseases pertaining to the rectum, anus, such as piles, &c.

DR. G. M. KIGHTLEY, of Ky., has located near New London, Mo., at which place he can be seen at all times, except when absent on professional business. He treats without the use of the knife or lance. He will also practice upon the principle of no cure no pay, and with little pain to the patient. All persons desiring to see him, had better write to know when and where he can be seen. BRADY HOUSE.

CAPT. A. S. ROBARDS, formerly of the State of Kentucky, having taken the Brady House in the City of Hannibal, Mo., for a term of years, would respectfully solicit a liberal share of Public patronage. He would not make any extraordinary promises, but he wishes so to conduct the House, as to make it deserve the patronage which he hopes it will receive. Having a general acquaintance through this and the adjoining States, he will take pleasure in communicating such information to travelers as they may desire; Hannibal being the point of embarkation, for a large portion of the travel to and from the country bordering on the Missouri River.

He will at all times be prepared to accommodate the travelers with horses, carriages and wagons, &c., as means of conveyance to any distant point. April 7th, 1852. mch21dtf
